Club Notes

New Security System

The Knights Club of Oak Harbor will be installing a new security system. If you have a "key" to the hall you must contact Paul Brewer to receive access to the new system and how to operate once installed. If you attempt to enter the hall once the system is installed and you don't have proper access it will trip the alarm and you won't be able to turn it off. The new system is set up on a "RFID" tag, so you be issued one in place of current alarm key.

B I N G O!

Returns to the Knights Club on April 6th.

Rummage Sale

The Knights Club will be hosting a Spring Rummage Sale in May to benefit capital improvements planned for the back social area. If you have stuff you want to donate start collecting and set aside. We will be taking donations the week of the sale. We cannot take any donations at this time as our storage is full. The Rummage Sale will be May 20th thru the 22nd. We will be setting up on May 19th. If you would like to volunteer, please contact me.
